THE CURE IS LASTING.

How Dr. David Kennedy's Latest Medicine, Cal-cura Solvent, Cured Mr. Eldridge.

Let the people speak for themselves, Paise from those who have been cured is praise indeed, and a comment would be waste of words. This is what Mr. H. W. Eldridge, of Cherry Valley, N. Y., writes to the manufacturers of Calcura Solvent, Dr. Kennedy's new medicine, Dr. Kennedy Row, Rondout, N. Y.

"Gentlemen! "I should like to tell you, in a few words, of the good Calcura Solvent, Dr. Kennedy's latest medicine, has accom-plished in my case, one of kidney trouble. "Before I took Calcura Solvent, my urine was of a brick dust color, and there was always a sediment of a dish tinge. I then procured a bottle of Dr. Kennedy's new medicine, and after giving it a thorough trial I noticed that the sediment gradually disappeared and the urine became clear. I have not taken any of the Cal-cura Solvent for a long time, and no sediment has appeared. "I have the greatest faith in your med-icine, and if I ever have a recurrence of my trouble I will take Cal-cura Solvent."

THE PUTNEY COLUMN. A COACHMAN'S STORY

The Experience Which Came to the Man on the Box.

The coachman can tell many an interesting story. All sorts of experiences come to him and the long hours on the box are not so monotonous as one might suppose. When he chooses, Austin Roe, a coachman, living at No. 20 West Liberty street, Wilkesbarre, Pa., can entertain a listener for hours, telling in his original way of the things that have

happened to him. "It is a hard life," he says, "and it is no wonder when one of us breaks down. For myself, the exposure and lack of sleep ran me down in health last winter till I became a shadow. Oftentimes I had to take to my bed with a fever running my temperature way up. I had a cold a good part of the time, my head was always dizzy, my stomach was out of order and my limbs stiff. I grew thin, was tired out all the time and felt generally miserable.

"No, the doctor didn't seem to help me very much and I didn't get any better until, upon the advice of a friend, I began using Dr. Williams' Pink Pills for Pale People. The first box made me feel better and a few more made me all right. Now I am strong and healthy again and I recommend Dr. Williams' Pink Pills to all my friends who seem to need a torric." The best tonic medicine in the world

is Dr. Williams' Pirk Pills for Pale People. Mr. Roe is only one out of thousands all over the world who have found this out by personal experience. This medicine, unlike any other, acts both on the blood and nerves, builds up the system and cures where ordinary preparations fail. Dr. Williams' Pink Pills for Pale People are not only a tonic but have cured such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of the grip, palpitation of the heart, pale and sallow complex-ions and all forms of weakness in either male or female. Dr. Williams' Pink Pills for Pale People are sold by all dealers or will be sent postpaid on receipt of price, fifty cents a box, or six boxes for two dollars and fifty cents, by Dr. Bradbury and family of Green addressing Dr. Williams Medicine Com-River were guests of Dr. Esmond a few pany, Schenectady, N.
